Our Future at The Lawn

At the heart of our future is the new Indoor Cricket Centre. With planning approved and opening planned for April 2027, this four lane, year round facility will provide outstanding opportunities for players of all ages.

With a dedicated gym, meeting rooms and all weather parking, our ambition is to create a facility that will benefit not only Waringstown Cricket Club, but the wider community and cricket across the area.

It will be the leading facility of its kind in Ireland.
Opening April 2027

How You Can Be Part of It

◆ A personal contribution

A one off gift, or spread by standing order over three years

◆ Business support or sponsorship

Company backing, recognised inside the Centre and around the ground

◆ An introduction

A contact, a supplier, a company that might help

◆ A gift or legacy

A lasting gift to the club in memory of someone, or in a will

◆ Stay connected

Register to follow the project as it goes up

GIFT AID

£1 becomes £1.25

Waringstown is a registered Community Amateur Sports Club, so every pound given by a UK taxpayer is worth twenty five pence more to the project, at no extra cost to the donor.

Higher rate taxpayers can also claim relief on their own return.

Whether through a personal contribution, business support, sponsorship, contacts or simply by staying connected with the project, we would be delighted to hear from you. There is no fixed deadline, but we would appreciate hearing from you sooner rather than later, to help us plan the final stages of the build.

Founders of the Indoor Cricket Centre

Every donation of £100 or more is permanently recorded inside the Centre. Donations are counted cumulatively across the campaign.
